Alfred's Premier Piano Course

The CA piano's Lesson function helps you practice the piano with the popular Alfred's Basic Piano Library, lesson books level 1A, 1B and Adult and the new Alfred Premier Piano Course. In addition to the Alfred piano lessons, basic finger exercises and a companion music book are also provided.

You can listen to any song from the books or the finger exercises and practice along with them. You may practice each hand separately at various tempos, and even record your practice. The lesson function can also evaluate your recorded performances for note accuracy, timing, and evenness of playing to help you further improve your skills.
